

WHY

GET VACCINATED

THE COVID-19 VACCINATION IS THE BEST DEFENSE IN PROTECTING YOURSELF, CO-WORKERS, FAMILY AND COMMUNITY AGAINST THE VIRUS

Building defense against COVID-19 in your community is a team effort. Getting the COVID-19 vaccine adds a vital layer of protection for you and those around you.

Here are some ways to help build confidence in the COVID-19 vaccine in your community:

1

GET VACCINATED

Vaccination is protection.

2

TELL OTHERS

why you are getting vaccinated and encourage them to register for the vaccine as well.

3

EDUCATE YOURSELF

about the vaccine and how it is effective against the virus.
