Membership

WCMAS is a restricted Scheme providing medical aid cover to participating employers. Application forms are available from HR/time offices.

Who is eligible for membership?

Subject to approval by the Board of Trustees, members may apply to register the following as their dependants:

- the spouse or partner of a member who is not a member or registered dependant of another medical scheme irrespective of the gender of either party,
- a child, stepchild or legally adopted child of a member under the age of 21 or a child who has attained the age of 21 years but not yet 26, who is a student at an institution recognised by the Board of Trustees. Should a member elect to cancel the registration of a child between the ages of 21 and 25 years as a dependant of the fund, such child will not be eligible for re-registration as a dependant on the fund at a later date,
- a dependent child who due to a mental or physical disability, remains dependent upon the member after the age of 21.

Registration and de-registration of dependants

A member may apply for the registration of his or her dependants at the time that he/she applies for membership or as follows:

- a member must register a newborn or newly adopted child within 30 days of the date of birth or adoption of the child, and increased contributions shall then be due as from the first day of the month following the month of birth or adoption and benefits will accrue as from the date of birth or adoption,
- a member who marries subsequent to joining the Scheme must within 30 days of such marriage register his or her spouse as a dependant. Increased contributions shall then be due as from the date of marriage and benefits will accrue as from the date of marriage.
- Students that are accepted as child dependants shall be recognised as such for periods of not more than twelve (12) months at a time.
- When a dependant ceases to be eligible to be a dependant, he shall no longer be deemed to be registered as such for the purposes of the Scheme Rules or entitled to receive any benefits, regardless of whether notice has been given.
- Members shall complete and submit the application forms required by the Scheme together with satisfactory evidence to the employer who in turn will submit same to the Scheme.
- The Scheme may require an applicant to provide the Scheme with a medical report in respect of any proposed beneficiary in respect of a condition for which medical advice, diagnosis, care or treatment was recommended or received within the twelve-month period ending on the date on which an application for membership was made.
- No person may be a member of more than one medical scheme or a dependant of more than one member of a particular scheme.
- The membership will terminate if he or she becomes a member or a dependant of a member of another medical scheme.
- Maximum benefits are allocated in proportion (pro-rata) to the period of membership calculated from date of admission to the end of the financial year.

Membership cards

Every member shall be furnished with a membership card containing membership number, date of joining, identity number/s and names of all registered dependants.

A member must inform the Scheme within 30 days of the occurrence of any event which results in any one of his or her dependants no longer satisfying the conditions in terms of which he may be a dependant e.g. divorce or child dependant full time employed or married (this is not the complete list). The Scheme does not provide cover for divorced spouses even if the divorce settlement decrees that the member is liable for cover.

Contributions

Contributions are calculated on an employee's monthly basic rate of pay*. It is collected monthly and paid by the employer by no later than the 3rd day of each month.

A WCMAS member's monthly contribution is based on his or her monthly income, pension (including income from investments, fixed deposits and retirement annuities); due on the 3rd day of the month or agreed pension payment run dates. Survival Certificates: It is compulsory for all WCMAS CAWM members to complete and return to the Scheme an annual survivor certificate before 31 July every year.

Income	Principal	Adult	Child
0 - 2000	R1,932	R1,932	R512
2001 - 3000	R2,212	R2,212	R512
3001 - 5000	R2,748	R2,748	R512
5001 - 8000	R3,008	R3,008	R512
8001 - 10000	R3,128	R3,128	R512
10001 +	R3,432	R3,432	R512

Late payments

Where contributions or any other debt owing to the Scheme are not paid within thirty days of the due date, the Scheme shall have the right to suspend all benefit payments in respect of claims which arise during the period of default.

Waiting periods and late joiner penalties

The Scheme may impose upon a person in respect of whom an application is made for membership or admission as a dependant, and **who was not a beneficiary of a medical scheme for a period of at least 90 days preceding the date of application** a general waiting period of up to three months and a condition-specific exclusion of up to 12 months.

Condition specific exclusions can also be applied to members who were members of a previous scheme for less than 2 years and general waiting periods to members who were on a previous medical scheme for more than 2 years.

The law also provides that a late joiner penalty may be imposed on a member or his/her adult dependant in certain circumstances when the applicant joins the scheme for the first time from the age of 35 years.

The late joiner penalty will depend on the number of uncovered years and is calculated as a percentage of the monthly contribution applicable to the late joiner.

Example:

Member applied to join the Scheme on the 1st June 2011.

- He had previous medical cover 1971–1981 and again 1981–1990.
- Total monthly contribution = R2,500 of which R2,000 is risk and R500 is MSA.
- Member's age = 65 years old. Creditable coverage is 19 years (number of years covered by medical aid as an adult). $65 \text{ years} - (35 + 19) = 11 \text{ years not covered}$. Therefore, penalty band 5-14 years applies which = 25%. Member premium = Risk+MSA+Penalty. $R2,500 + (25\% \times R2,000) = R3,000$ contribution payable.

Penalty Bands	Maximum penalty
1 – 4 years	0.05 x contribution excluding MSA
5 – 14 years	0.25 x contribution excluding MSA
15 – 24 years	0.50 x contribution excluding MSA
25+ years	0.75 x contribution excluding MSA

Medical Aid Savings Account – MSA Day to Day Benefits

The medical savings account is a member's own personal account and is used to pay for day to day medical expenses as long as a member has funds available. The medical savings account is in effect the member's own money and allows him/her to manage his/her own medical expenses without subsidising the everyday medical expenses of other members. 25% of a member's monthly contributions will be allocated to the medical savings account every month.

The savings account balance is provided upfront for the full financial year (1 January until 31 December) and is therefore reduced pro-rata should a member resign or should a dependant be registered or de-registered during the year. If a member resigns at e.g. the end of June, such member is only entitled to a MSA balance for six months. If a member has used the full MSA balance for twelve months, the member will be required to repay to the Scheme the portion he/she was not entitled to.

A credit balance in the MSA after resignation from the Scheme will be paid out after 4 months. In the event of a member joining another medical aid with a Medical Savings Account then the balance will be paid to the new medical aid. Should the member not rejoin a medical aid with a MSA then the refund will be paid to him/her.

Example: 25% of monthly contribution x 12 months = R5,000

What happens when your Medical Savings Account is exhausted?

When members have exhausted their medical savings account, all day to day expenses will be for the member's own account.

Medical expenses paid by the member must be submitted to the Scheme in order to be calculated towards the member's annual threshold. Once the annual threshold is reached the member will receive limited benefits paid from the Risk Pool account.

If the member has exhausted his MSA then the self-payment gap will be 50% of his annual MSA
Example: MSA = R5,000 then the self-payment gap will be R2,500

When the savings account maximum is reached, members must still submit claims in order that it accumulates towards thresholds and for tax purposes.

Above threshold benefits.

These are the benefits that become available after the MSA limit has been reached and the self-payment gap of medical expenses reached.

Full list of the benefits is available on page 4 of the member's guide.

What is a threshold (Self-payment Gap)

Annual thresholds provide for extended cover should a family experience significantly high or numerous day to day medical expenses. Annual threshold limits are equal to 50% of the annual MSA contribution. If a member's MSA is R5,000 the threshold will be R2,500 bringing the members self funding amount in respect of the threshold to R2,500. Medical expenses accumulated towards the annual threshold will be calculated at Scheme Rates or agreed tariffs. Once the medical expenses reach the threshold, the Scheme will again commence payment of the medical savings account benefits at the applicable benefit percentages and the annual limits from the risk pool.

Important to note:

- After hour consultations or emergency room consultations are charged at higher rates than normal consultations and will have a negative impact on your savings account.
- It sometimes saves money to pay cash for optical and dental services and claim a refund from the Scheme.
- GP's can now confirm benefits available for consultations on the website 24/7 – www.wcmas.co.za

Designated Service Provider (DSP) and Managed Care Programs

DSP hospitals charge fees at the Scheme Rates determined for Private Hospitals. Charges from non-DSP Hospitals in excess of the Scheme Rates are for the members own account, except in cases of emergency, involuntary admission and where the service is not available at a DSP.

WCMAS has DSP arrangements with Life Healthcare Hospitals, Netcare Hospitals, NHN and certain Mediclinic Hospitals. The latest complete list of DSP Hospitals is available on our website www.wcmas.co.za or contact our offices at **013 656 1407**. Where the Scheme has DSP arrangements in place and the member makes use of a non-DSP, the member shall be liable for the difference between the Scheme Rate and the fee charged by a non-DSP.

The Scheme also has Universal Hospital Case Management, HIV, pre-authorisation and Chronic Disease Management and Oncology Managed Care Programs in place.

Co-payments and other charges to members.

Medical Services in excess of Medical Scheme Rates (Non-PMB)

Members must please note that more and more providers of medical services charge fees in excess of the Medical Scheme Rates. WCMAS only pays fees up to the Scheme Rates. Where the Scheme has paid the Scheme Rates directly to a supplier who has charged in excess of the Scheme Rates, the excess amount must be paid directly to such supplier by the member. The amount to be paid will appear **in bold** in the “**member to pay provider**” column on members' monthly remittance advices. It remains the responsibility of members who need to have operations to enquire beforehand from the relevant doctors whether they charge in excess of the Scheme Rates or not. If in excess, members need also to arrange settlement of the account directly with the suppliers of medical services.

Members are reminded that should a doctor or specialist use any disposable products during a procedure, the member will be liable for the cost. Disposable items are regarded as an exclusion from benefits. The Scheme will only consider conventional methods for procedures.

Dispensing doctors are required to register at the Scheme for direct payment for medicine dispensed to members. Members will be liable for the account of medicine dispensed by a doctor not registered as a DSP and dispensing doctor at the Scheme.

Early refill on medication if out of the country/over SA borders

Members are reminded that should they be overseas or across the country borders for an extended period of time to request their early refill on chronic/acute medication at least 5 days before their departure. They may contact the Scheme directly with their request on **013 656 1407**.

Generic Reference Pricing & MMAP

MMAP refers to the maximum medical aid price. MMAP is the maximum price that WCMAS will pay for specific categories of medicine for which generic products exist. Although some generic products may be priced above MMAP, there are always products available that are below generic reference price. Your pharmacist can assist you by dispensing a product below MMAP so that you can **avoid a co-payment**. To check for generic medication on the MediKredit website **www.medikredit.co.za** click on scheme protocols.

Prescribed Minimum Benefits (PMB)

Prescribed Minimum Benefits (PMBs) are defined in the Regulations to the Medical Schemes Act and must be provided to all beneficiaries of a medical scheme. The diagnosis, medical management and treatment of these benefits are paid according to specific treatment plans subject to therapeutic algorithms, protocols, formularies and DSP's. Should services for a PMB not be available at a DSP, arrangements will be made at another setting. Members must ensure that ICD10 codes are reflected on all accounts so that the correct allocations to relevant benefits can be made.

It is noted that some doctors charge exorbitant fees for PMB conditions and we could encourage members to first obtain a quotation before proceeding with the procedure.

List of chronic conditions (CDL) covered under PMB's:

Addison's disease	Chronic obstructive pulmonary disorder	Hypertension
Asthma	Diabetes Insipidus	Hypothyroidism
Bipolar mood disorder	Diabetes Mellitus Type 1 & Type 2	Multiple Sclerosis
Bronchiectasis	Dysrhythmias	Parkinson's disease

MediKredit website detail is www.medikredit.co.za.

WCMAS is using the SwiftAuth (MediKredit) system whereby doctors need to phone the **toll free number 0800 132 345** to register members chronic conditions. No application forms are needed. SwiftAuth (MediKredit) will require clinical information of patients and staff at WCMAS **will not** be able to assist practices or members with registrations. When receiving a prescription for medication from a doctor or after being discharged from hospital members can submit the prescription at any of our DSP pharmacies to avoid excessive co-payments.

If you require any information on the clinical entrance criteria, prescribed minimum benefits algorithms, medicine exclusions and tariffs codes and amounts, please refer to the WCMAS Call Centre at **(013) 656-1407**.
